

658 Kessels Road Upper Mount Gravatt QLD

The site offering 4 street frontages represents a rare opportunity to transform one of Brisbane's most significant and growing precincts opposite Westfield Garden City. With multiple uses possible (STCA), the considerable site (4098m²) provides an exciting development opportunity in a location that affords future occupants with an enormous amount of convenience and amenity.

This exceptional site represents a collection of compelling development opportunities (STCA) including, but not limited to:

- > Commercial and Residential Development
- > Serviced Apartment Complex
- > Aged Care Facility
- > Multi Residential Townhouse Development
